

Message from the elders

Due to the increase of the Covid-19 Delta variant in Wayne County, we have decided to implement the following guidelines until further notice.

Any person participating in a Bible classroom on Sunday morning will be required to wear a facemask. This doesn't include the auditorium class, since proper social distancing can be practiced there. This comes from the recommendation of the state and county health departments and is consistent with the past practices of this eldership.

During worship time, the elders are recommending that everyone wear a face mask until seated and to practice social distancing as best as you can. We will be opening up the auditorium seating arrangements again to insure all congregants stay as safe as possible. Feel free to move as many chairs as needed to accommodate your family.

The elders did not come to this decision easily. We are praying that this is a short, temporary inconvenience and normal classes and worship will resume once health matters are less dangerous. Your health and safety are of the utmost importance to us.

Thank you for prayers, patience and understanding as we work through the continuous changes going on in our community.

We love you.
